

## Lornham Block Management

Lornham provide a highly personalised block management service through an experienced team based in our office in Central London.

London offers a wide variety of property and we appreciate that each block is unique. Therefore we assign a dedicated property manager for each building who manages the block according to an agreed mandate. This ensures that we deliver a high quality and efficient service ensuring that issues are dealt with in a responsive and professional manner.

As well as managing established blocks we have built a reputation assisting property developers on new build developments. This service ensures that new developments are ready for occupation on the day of completion.

Our portfolio includes some of London's traditional mansion blocks through to new build developments. Here is a selection of the buildings that we currently manage:

### **Henry Moore Court**

Chelsea, SW3

17 units in luxury modern development

### **Cadogan Place**

Belgravia, SW1

6 units in prime central London

### **Sutherland Avenue**

Maida Vale, W9

10 units in traditional red brick building

### **Chelsea Galleries**

Chelsea, SW3

7 units & commercial in modern development

If you would like to hear more about our service and how we can help you manage your building then please contact Rupert Wertheimer, Head of Block Management.
