Lornham Expands Property Team

We are delighted to announce the appointment of Laura Snook to our expanding property management team. Laura brings a wealth of experience from within the property industry and has joined from The Portman Estate. She was managing clients' residential portfolios with a particular emphasis on compliance as well as Health & Safety.

"I am really excited to be joining the team at Lornham. "Having established myself over the past number of years within the industry, particularly within residential management market with both old and new development, I can't wait to get started."

Laura Snook

Having graduated from the University of Chester, Laura has developed a strong understand within the regulatory side and has a strong grounding in Health & Safety and Fire Safety as well as Project Management.

"We are really pleased to welcome Laura to Lornham and look forward to seeing her experience and knowledge benefit our clients. Personally look forward to working with Laura, particularly with our fast-growing block management department."
