

JUNE 2023

## Private Client Dining Club Jersey

Last week we were in Jersey attending the @PCDGroup dinner.

These events and networking opportunities are invaluable for our business which is focused on building long-lasting collaborative relationships with our industry peers. This includes Trust Companies, private bankers, lawyers, and corporate services providers amongst many others within the client world.

If you are looking to collaborate or need any guidance with your property portfolio please do get in touch with Dom via the details below.
