

# 11 YEARS WITH LORNHAM

MARYLEBONE

APRIL 2023

We recently hosted a party to celebrate many great years in business and the wonderful people who have supported Lornham over the years: my team, family, and clients.

It is a night Rupert & myself will remember - we have always taken joy in building meaningful professional relationships, in many ways that is what has kept us going, particularly through a time of global crisis.

Today, I am proud to say we are an established, trusted, and recognised name with an office on The Portman Estate.
