HAMILTON TERRACE, LONDON, NW8

New Block Management Instruction

Lornham has been appointed to manage a building in leafy Hamilton Terrace, considered one of the premier roads in NW8.

This broad, tree-lined residential road in St John's Wood is home to a variety of grand detached and semi-detached houses and mansion blocks running parallel to Madia Vale.

Rupert Wertheimer, Lornham Director comments:

We represent property within areas we both know and love, and NW8 is a great example of this. By delivering a high-end service for those wanting the best block manager in London our excellent reputation for management within Madia Vale continues to grow.

If you would like to discuss your property requirements with Rupert please do get in touch.
