

SEPT 2023

LONDON TO BRIGHTON CHARITY CYCLE RACE FUNDRAISING IN AID OF GREAT ORMOND STREET HOSPITAL

We are thrilled to share an exciting update from the unforgettable London to Brighton bike ride that took place this month.

Our participation in this extraordinary event was organised by David Bell, MD of PCD, and the team over at Private Client Dining Club who were fundraising in support of the renowned Great Ormond Street Hospital.

Spanning a challenging distance of 55 miles, the day started early at 7 am start, as all race participants embarked on their journey under the unseasonably sweltering September heat. Notably, the route included conquering the iconic Ditchling Beacon, a legendary cycle climb that posed a thrilling challenge for all (swipe to see us at the top!).

David was accompanied by colleagues Rori and Chris, as well as Rupert from our Lornham team. We are honoured to have been part of this remarkable event which raised £6,889 for the Great Ormond Street Hospital Charity.

Every day, #GOSH supports around 750 seriously ill children and young people. The Great Ormond Street Hospital Charity supports the hospital and its patients by funding four key areas: Rebuilding & refurbishment, Support for families and children, research into children's health and life-saving medical equipment.

Thank you to David and all involved. Here's to next year!
