

Introducing Jeniel Swart

Jeniel recently joined Lornham into the role of Assistant Property Manager to help with our growing portfolio.

Jeniel brings with her an outstanding array of admin and client service skills. From conducting in depth research briefs, scheduling, reporting and managing operational tasks to building positive client relationships Jeniel's skills are well placed within the property management team.

She is a team player, always willing to offer a helping hand and help the team. And in her free time Jeniel enjoys wine tasting, fine dining, reading, going to the shooting range, and spending time with her husband and their three cats.
