LONDON TO BRIGHTON CHARITY FUNDRAISER

London to Brighton Charity Fundraiser

On the 14 September 2023, three members of the PCD Group team embarked on the iconic 55-mile journey from London to Brighton, all in support of Great Ormond Street Hospital. Let's hear from our generous sponsors below about their motivation for participating.

Lorham, London
Rupert Wertheimer, Director of Property Management

What does your company do?
Lorham is a highly regarded property services company based in Central London. Our expertise lies in various areas, including block management, property concierge, and acquisitions. Since our establishment in 2012 by Dominic Wertheimer, we have built a strong reputation for delivering exceptional services. In 2016, Rupert Wertheimer joined the team and now heads up our property management department, overseeing block management and tenancy management for landlords. Our client base is diverse and global, with purchasers and landlords seeking our advice from countries such as Great Britain, Dubai, Hong Kong, and even Australia.

Why did you donate to this campaign for GOSH?
We recently sponsored the PCD Club London to Brighton cycle race in aid of the Great Ormond Street Hospital (GOSH) campaign. [READ MORE](#)

Liti-Link
Niall Husbands, Director

What does your company do?
Liti-Link is a Swiss-based company that has already assisted over 1700 institutional and private investors in reclaiming "retrocessions" from their Swiss banks and/or asset managers. Claims can be made going back 10 years, and the average recovery seen to date has been 5%** of the value of the portfolio.

*Retrocessions are all monetary benefits received by Swiss banks and/or asset managers, particularly, trailer fees, provisions, retrocessions, stock maintenance provisions, kickbacks, finder's fees, distribution remunerations, etc.

** Depending on the average assessment amount in funds and structured products.

Jellyfish Consulting
Figy Rawal, Director

What does your company do?
With deep expertise on strategy, transformation, and value creation, Jellyfish Consulting creates bespoke solutions for its clients. We understand that strategy is an art, not a formula, tailoring each approach to accentuate an organization's unique strengths. Through careful analysis and collaborative efforts, we sculpt strategies precisely suited to each client's distinct challenges and aspirations. Be it a minor overhaul or a sweeping company-wide shift, Jellyfish Consulting navigates the path to transformation with precision, ensuring lasting impact for future years. Jellyfish Consulting has an unwavering commitment to delivering concrete meas-

Why did you donate to this cause / campaign for GOSH?
Jellyfish Consulting's sponsorship of the charity bike ride from London to Brighton for Great Ormond Street Hospital is part of its commitment to women and children's charities. At Jellyfish, we are passionate about the well-being of our youngest and most vulnerable. Great Ormond Street Hospital embodies this spirit wholeheartedly, providing invaluable care and support to children in their most trying times, while also offering solace and strength to their families. Our hope is that, through this event, it's made a meaningful difference in the lives of those who depend on it.
