

MARCH 2024

LOGAN PLACE, W8

New Instruction Block Management

The block management team has successfully acquired Logan House in the Royal Borough of Kensington and Chelsea, London W8. This tranquil yet centrally located spot provides easy access to the West End and is in close proximity to Kensington High Street.

The Director of Block Management expressed, "The year has started off superbly for our block management team. They have demonstrated adaptability in their service offerings, addressing a wide range of management opportunities in W8. We eagerly anticipate overseeing Logan Place and maintaining the same high standards of care as seen throughout our portfolio."

A fun tidbit for fans of Queen's music: this area is a notable spot as frontman Freddie Mercury resided at Garden Lodge in Logan Place.
