

THE BROADWAY PROJECT: A PENTHOUSE TRANSFORMATION, SW1

The Broadway Project: Penthouse Transformation at Victoria SW1. We're proud to announce the commencement of The Broadway Project – a major residential fit-out at one of London's most historically significant addresses: the former Scotland Yard Headquarters in Victoria.

This 40-week project, beginning Monday 21st July, involves the full transformation of a Shell & Core penthouse into a meticulously designed home.

Partners Involved:

- Lornham – Client Manager (Dominic Wertheimer)
- Regency Grove – Project Manager, Quantity Surveyor and Contract Administrator (Ricky West & William Sandford)
- Banda – Interior Designer
- Verve Concepts – Contractor

Appointed by the client's legal team, Lornham is bringing its management expertise to a landmark residence. We look forward to delivering a result that respects the legacy while setting a new standard for contemporary living in the heart of London.
