BLOCK MANAGEMENT TEAM ATTENDS THE INTELLIGENCE FORUMS ROUNDTABLE

The Lornham block management team had a wonderful evening at the Intelligence Forums roundtable, hosted by Tom Tishbey in the lively Gasholders Park at King's Cross.

The event was a refreshing mix of networking and discussions with Harry Corbett and other professionals on the following topics:

- Building productive teams
- Practical applications of ESG
- Leadership in action
- Insights into executive coaching

Thank you to everyone who participated and enriched the conversation. For any block management enquiries, please reach out to Rupert Wertheimer at:
