CONVERSATIONS SHAPING OUR INDUSTRY AT THE CHARTERED INSURANCE INSTITUTE

We returned to the City, visiting the Insurance Hall for a thought-provoking event organised by Jonathan Channing. Our discussions delved into:

- Insurance regulation and legislation
- The role of Managing Agents
- Handling claims
- Potential tax changes

We gained valuable insights from a diverse panel, including a Managing Agents, Brokers, Surveyors, and Regulators from The Property Institute.

It was truly inspiring to be surrounded by the City's iconic architecture and the conversations that are shaping our industry.
