

JUNE 2026

LORNHAM  
London

## PCD CONFERENCE DRAGONS HALL

Dominic attended the PCD London Conference at Drapers' Hall, engaging with professionals from private client, legal, tax, and wealth advisory sectors.

A key theme was the significance of trusted relationships amid growing complexities, focusing on succession planning, international wealth structures, and evolving client expectations.

At Lornham, these values are vital as they emphasise lasting relationships, clear communication, and trusted advice in managing property assets and supporting client decisions.
